Dear Friend,

On Friday, November 30, 2018 the NEMLEC Police Foundation is hosting its annual NEMLEC Appreciation Dinner and Comedy Night Fundraiser at Four Oaks Country Club in Dracut, MA (flier attached). The Foundation was formed in 2005 and this event is held to raise funds for specialized police training programs that have had immediate impact in crime prevention and emergency preparedness for the 63 NEMLEC law enforcement agencies in Middlesex and Essex Counties. For more information, please go to NEMLEC.com and NEMLECFoundation.org.

The NEMLEC Police Foundation raises money to sponsor training programs that effectively train police personnel to ensure each community has the highest level of police service. Some examples are:

- School and Workplace Violence Trainings as well as Shooter Detection simulations
- Annual Two Week Criminal Investigation Training as well as Advanced Crime Scene courses
- NEMLEC Unit Specialized Trainings (i.e., SWAT/RRT, Motor Unit, STARS, K9)

In addition, the Foundation donates to many worthwhile charities...in particular, Cops For Kids With Cancer. On September 12, 2018, a donation was made to this great organization as they were presenting a check to a Dracut teenager who is fighting cancer.

Please see attached flier for sponsorship opportunities and reservation/ticket information. Also, auction and raffle items are greatly needed and appreciated.

As a special recognition, Chelsea Police Chief Brian Kyes is being honored by the NEMLEC Police Foundation for his countless activities on behalf of all police departments in the Commonwealth of Massachusetts, as President of the Major City Police Chiefs Association. Chief Kyes has taken the lead relative to immigration enforcement reform, police accreditation and police training. It was through his leadership and exhaustive work that the Commonwealth received a dedicated funding source for police training. He was instrumental in working with the Baker Administration to establish legislation creating a surcharge from car rental fees to subsidize police training. Chief Kyes also serves on the Mass Chiefs of Police Executive Committee, the Municipal Police Training Committee, the Massachusetts Police Accreditation Commission and is the Chairman of the Massachusetts Chiefs Legislative Committee. Please join us in honoring Chief Kyes.

On behalf of the Foundation, please accept our appreciation and gratitude for your support. We look forward to hearing from you.

Sincerely,

The NEMLEC Police Foundation Board of Directors
